The issuance of this certificate regularizes the validity date of the previous certificate to the current issue date of this new certificate, based on the specific extension granted due to exceptional circumstances, unless the certification is/has been officially revoked by trustea or the certifying audit body.

The validity of the certificate issued after remote audit is provisionally granted for a period of six months and is to be regularized by a on site audit. In the case of on-site audit being delayed due to exceptional circumstances, issuance of a certificate post successful on-site audit regularizes the validity date of the previous provisional certificate to the current issue date of this new certificate, unless the certification is/has been officially revoked by trustea or the certifying audit body.
